The Society will be staging a concert, in memory of the late Peter L. Howard. It will be performed at the Taliesin Arts Centre, Swansea University on Saturday 30th October 2010, and will pay tribute to Peter who was a much loved member of Cockett Amateur Operatic Society. The Society will perform songs from shows Peter appeared in or was involved with, along with some of his favourite music. There will be two performances, one at 5pm and one at 8pm. In view of the number of people who will want to attend this concert we would advise early booking.
